

Dedication

The Eugene Thunder is a successful youth fastpitch club fielding youth area teams since 1995. The team was formed to give young girls the opportunity to learn the game of fastpitch at a high level. Past successes of the Thunder Organization include:

- 4 ASA State titles
- 3 Northwest Regional titles
- 1 National Qualifier title
- 12 ASA National tournament appearances
- Top 20 finish at ASA Nationals 6 times
- Top 10 finish at ASA Nationals 2 times

Hard Work

To compete at such a high level the team travels most weekends during the summer to Portland or Seattle to face the best competition the Northwest has to offer.

Ethics

The Eugene Thunder strives for more than just wins and as our credo suggests our organization is about teaching young girls on how to handle adversity and success through sports. This requires that each and every girl understands about dedication, hard work, ethics, skill and life development...on and off the field.

Skill & Life Development...

Unfortunately success comes at a price – travel, equipment, uniforms, tournament fees, practice facilities and lodging all continue to increase as our level of play elevates. You may remember back to your youth when participation in sports played a major role in your life. We ask that you consider a financial contribution through sponsorship of our team. Sponsorship would allow our players to spend more time improving their skills at practice while also alleviating families from some of the financial burden that comes with providing their children an opportunity to chase their dream of a national title and/or college scholarship.
